

Identifying Strong Beats-Year 2

In this lesson, we will learn all about the strongest beat of the bar and how we can show it when we are performing the pulse. Please watch the video below by asking a grown up to copy and paste the weblink into your browser.

Remember! Always have an adult with you when using the internet!

After watching the video, please look at the questions and activities below with a grown up.

- 1.Can you sing the 'Higgity Jiggity bumblebee' song- using your name and your family's names?
- 2.One of our new songs this week is about a squirrel, can you sing it keeping the beat by using your body e.g., clapping, tapping, nodding etc?
- 3.Can you remember which beat of a bar is the strongest? Sing the squirrel song again, clapping only on the strongest beat.
- 4.Practice singing 'London Bridge' clapping on the strongest beats of each bar and tapping you knees on the other beats.
