Parents and Carers joined the Reception class children for an afternoon of prayer and reflection at 'Stay and Pray' on Tuesday. Their liturgy was on the theme of celebrations and ended with adults and children decorating fairy cakes to share with family and friends.

Y4 are learning about Ancient Greece in history, so Miss Hilldrith arranged for the children to explore and investigate the amazing Greek artefacts at The Hancock Museum on Thursday. The children returned to school brimming with wonderful facts and stories about this fascinating period in history. Θανάσιος!

We were delighted to welcome Mama Cathy, who lives in Malawi, to St. Vincent's last Friday. Mama Cathy told us all about life in her village and explained that the villagers had built a new nursery for the local children. Unfortunately, their new nursery building doesn't have a roof and the villagers don't have enough money to buy one. So, the catholic primary schools in Newcastle have agreed to raise money for their new roof and our Y5 Mini-Vinnies will organise some fund-raising events to support this good cause.

Y5 were put through their paces by three professional players from the Eagles basketball team. During this Hoops4Health roadshow session, the children learned about getting fit and staying healthy: whilst the children's fitness levels were a good match for the professionals, the pupils were out of their league when it came to height (maybe in 10 years Y5!).

Y1 and Y5 are sitting pretty at the top of the attendance table: that's a lot of lovely winits ready to be cashed-in for an exciting reward. Well done! On Thursday, 10 children enjoyed a tasty take-away meal and another 10 spent the afternoon at the cinema. **They were in-it-2-win-it!**

Sienna, Emilia and Olivia (Y2) have had winter sniffles and wanted to share their sniffly joke with you.

Knock, knock
Who's there?
Atish
Atish who?
Sorry, I didn't know you had a cold!
