

## What happens during Mass?

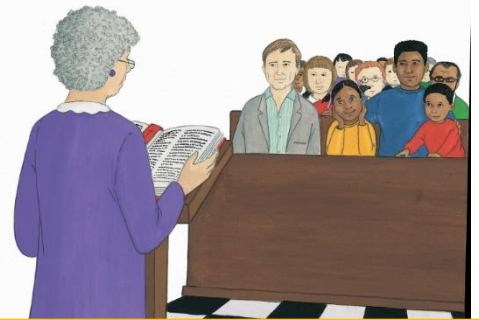

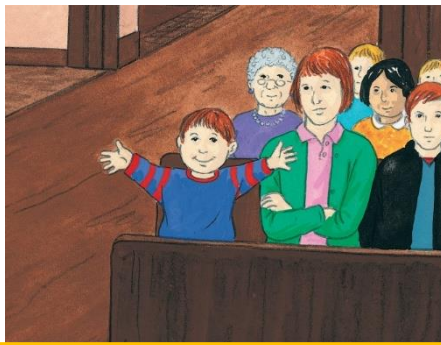

In our last lesson we learnt about Gary and his family. They go to Mass on a Sunday. It is a special day to gather to remember Jesus.

The priest welcomes us to Mass, he says a prayer. We then sit down to listen to the stories about Jesus. We say prayers thanking God for sending Jesus. Some receive Communion and some receive a blessing. The priest then sends us home to take Jesus' love out to everyone we meet.

Look at the pictures of what happens at Mass. Discuss each picture with an adult.
