Newcastle Primary Schools are taking part in a new Home Office approved project led by Northumbria Police and Crime Commissioner Dame Vera Baird: in partnership with Barnardo's and Operation Encompass.

The project, named 'Operation Encompass the Next Steps', aims to form part of a wider strategy to break the cycle of Domestic Abuse through education and support. The project will help all children in Newcastle learn about friendships, relationships, emotions and rules, so that they can live and work together safely.

St. Vincent's liaison officer is Dale. He will be in school on Wednesday 23rd October and will be available to talk to parents between 2:30 – 6:00pm.

This week, a trainee teacher from St. Mary's Catholic School spent time with our Y6 and Y5 pupils. Miss Small, a history teacher, was very impressed with the children's knowledge, attitude and behaviour. She is already looking forward to the possibility of teaching them in Y7!

Our Y6/Y5 boys' football team took part in the first round of The Bishop's Cup tournament on Thursday. The team played well but, unfortunately, luck was not on their side and the team succumbed to two defeats and one draw.

Mr. Collister said, 'The boys showed great resilience throughout and played with steely determination. We will review our game plan to iron-out any wrinkles in our match strategy.'

Well done boys. Your fantastic sporting spirit and exemplary sportsmanship has made us all very proud.

We are delighted to announce the birth of Mrs McNally's daughter. Baby Nieve was born on Wednesday evening and weighed-in at 7lb 2oz. Mother and baby are both well.

'How many hours are there in a year?' asked the teacher. '8,760' replied the child.

'How many minutes are there in a year?' asked the teacher. '525,600' replied the child.

'How many seconds are there in a year?' asked the teacher. '12' replied the child. 😄

'What?' bellowed the teacher. '12' replied the child, 'January 2nd, February 2nd, March 2nd...'

ATTENDANCE

"Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – **pupils need to attend school regularly to benefit from their education.** DfE 2013

Attendance	
Class	Attendance
Reception	98.0%
Year 1	94.0%
Year 2	96.8%
Year 3	97.0%
Year 4	97.8%
Year 5	93.7%
Year 6	97.3%
Total	96.3%

Well done Reception, you've hit our 98% target: keep-up the great attendance!

Research shows that missing school not only damages a child's potential to attain good grades, but poor attendance also damages a child's ability to make and keep friends...and no one wants that!
