

Friendly and Unfriendly

The bad-tempered ladybird wasn't a very good friend. Let's see if we can help the bad-tempered ladybird make better choices. Below is the choice the bad-tempered ladybird made. Did they share? Were they friendly?

Task: On the picture below the second speech bubble is now blank. What do you think the 'bad tempered lady bird' could say instead? You can write your ideas down in your jotter or point to the empty speech bubble and tell a grown-up out loud.

Challenge!

The bad-tempered ladybird is not sure what he did was 'unfriendly.' Can you help sort out these ideas into being 'friendly,' and being 'unfriendly?' You could write them down in your jotter or say each thing out loud.
