Dear Parent/Carer,

The DfE has introduced a scheme to help children who:

- don't have access to a fixed broadband connection
- cannot afford the additional data needed to access educational resources
- have access to a mobile device that uses a participating network
- are facing disruption to their face-to-face education, or have been advised not to attend school

School will register you for this support if you email the school (admin@stvincents.newcastle.sch.uk) with the following information:

- *the account holder's name*
- *their mobile number (a number beginning with '07')*
- *their mobile network*
- *whether they pay monthly or pay as they go*

Additionally, school has a limited number of Windows Tablets provided by the DfE for pupils without access to online learning. If you would like to borrow a device, please email the school.

If you wish to accept any of the offers stated above, please ensure you email by **5pm** on **Friday 8th January**. Thank you.

Regards,

Ms Ness
