

RESPOND

The final piece of work for this RE topic is a reflection. This is where children think about everything they have learned so far.

Remembering, celebrating and responding to how and why people gather together and the joy of gathering together to celebrate at Mass.

Take a moment to relax and gather your thoughts. You may want to sit somewhere quiet. Can you remember what we have learned in our 'Celebration' topic? You might want to listen to some quiet music while you do this. Use the video on the website, if so.

Tell a grown up about these things...

- What things are better done together and why?
- The importance of gathering.
- The parish family gathers for Mass.
- We gather in church to listen to God's Word.
- Who welcomes us when we go to church?

TASK: Record below what you think is important and you want to remember from our 'Gathering' topic.

It may be drawings, prayers and/or words from Scripture.

Use the template or create your own in your jotter.

You could draw a picture from the story 'Let the children come to me', or ways that you gather, or the inside of a church.
