Year 1 are learning about the weather and the seasons in science, so on Tuesday they headed off to The Rising Sun Country Park to look for seasonal changes in the autumn sunshine.

Y2 enjoyed a tour of our amazing city in an open-top bus on Tuesday. Miss McDonnell is teaching the children about the local area in geography and wanted them to see the magnificent landmarks that make Newcastle internationally famous.

Last Friday the following children were awarded certificates at our **Celebration Assembly:**

Book of the Week: Louie Francis, Alex Scorco, Ruby Watson, Lashawn Ofure, Mylo Manso and Shelia Nyathi.

Good Manners: Harry Mills, Laila Taylor-Reid, Bobby Campbell, Beverley Oppong, Natahsa Delaney and Lexi Allen.

Journey with Mary: Mileigh Dowson, Misha Piasecka, Emmanuel Salim, mason McAvoy, Christopher Anderson and Ben Davidson.

Well done everyone!

In science, Y3 are learning about the different types of rocks and soils and their unique properties. To help them with their studies, on Wednesday the class spent the day at The Centre for Life to explore this exciting subject.

Zoe C (Y6) speaks two languages fluently: her word knowledge and skill is excellent. Zoe also knows of a dinosaur with fabulous language skills too.

Q. What do you call a dinosaur with fabulous vocabulary?

A. A thesaurus!
