

How to Grow a Dinosaur

Written by Caryl Hart

Task

Watch the story then answer or discuss the questions below with a grown up.

After watching

Now that you have watched the story discuss and answer the questions below with a grown up.

1. When the little boy sees that it is a sunny day what things does he want to do outside in the garden?
2. What does his Mum want him to help her to do? Does Albie want to do this? How can you tell?
3. When Albie wakes up the next morning something has happened to his garden, can you describe it?
4. What sort of animals are in the garden, how does Albie feel about this? How would it make you feel?
5. Albie thinks of all the seeds his Mum and him sowed , can you remember what types they were?
6. Can you name the types of dinosaurs that were in the garden?
7. If you could choose to grow anything what would it be? Can you describe it and design the seed packet?
