Dear Families,

Visits within our Locality

Throughout the year, we take the children on a number of visits which are within our locality and do not involve a cost to families e.g. St. Bede's Church, Benwell Library, Scotswood Nature Park, Westgate Sports Centre and the Catholic High Shools. These visits will usually involve the children walking or travelling by school minibus.

Rather than send a separate letter requesting parental consent for your child to participate in these visits each time we plan such visits we are asking parents to sign and return the slip below giving consent for all such visits for the school year 2019-2020. This will save both time and money.

Parents will be informed by text message of every visit their child is participating in.

Best wishes
