This paper application form is only for reception class admissions for September 2019. The easiest way to apply for a school place is online at www.newcastle.gov.uk/admissions

Guidance on completing this form

- Use this form if your child lives in Newcastle. If your child lives in another local authority, you must apply to that council for their reception class place.
- You can apply for a place in any state school or academy, including faith schools and schools in other local authorities. You cannot apply for an independent school on this form.
- Complete all the boxes on the form that are relevant to your application. Answer the questions truthfully and accurately.
- Please use black ink and write in block capitals.
- Provide any supporting evidence within the timescales requested.
- Include your child's full name and date of birth in any correspondence.
- If you apply online at www.newcastle.gov.uk/admissions you will get an email receipt. If you apply on paper, you are strongly advised to obtain proof of posting and to use the correct postage. We do not accept any responsibility for lost documents sent by post. You must include a stamped addressed envelope with the paper form if you want a receipt.

Before you apply:

- Read our admissions guidance at www.newcastle.gov.uk/admissions. Our printed leaflet "Starting School in 2019" provides a summary of the main points.
- Read the admission policy for each of the schools that you are interested in to understand how places are allocated and any evidence you need to provide. Look at the information about how places were allocated last year to see how likely it is that your child will be offered a place.
- You may apply for up to four schools (your "preferences"). Use all four preferences to increase the chances of being offered a preferred school.

Please note that the General Data Protection Regulations came into force on 25 May 2018. We will process your application in line with Newcastle City Council's data privacy notice. We will share information with other agencies as necessary and lawful to ensure the application process runs effectively and in accordance with the Admissions Code and Fair Access Protocols, and to comply with statutory data collection requests.
