Dear Families,

Centre For Life Visit

As part of our 'Moon Zoom' Topic we are going to visit the Centre For Life in Newcastle on **Monday 4 February 10.30am - 2.30pm.**

This visit will provide children with the opportunity to explore and experience what life could be like in Space. They will have the opportunity to explore the planetarium and take part in an 'Alive in Space' workshop. This will support their learning in Science as the children will be given the opportunity to taste what astronauts eat whilst they go on their journey to space, as well as discussing what could be alive in space.

The cost of this trip is **£10.00** per person which covers the cost of the workshops and metro travel to and from the Centre. All contributions should be paid on the ParentPay website.

If you are able to help on our trip, please indicate on the slip below. This would be greatly appreciated. Depending on the number of offers to help, I will pick at random and make a reservation list.

Kind regards,

Miss Wigglesworth
