Monozukuri Caravan at Nissan Visit

Dear Families,

We have been invited to attend an interactive workshop called the Monozukuri Caravan on **Tuesday 4 June 2019** at Nissan's training and skills centre.

This workshop explores the exciting world of manufacturing through the use of a Lego production line in which the children will set up and build model cars. It will also give the opportunity to see, hear and use some of the tools that we make use of every day in building cars. It will give the children a fantastic opportunity to see the world of Nissan in a safe controlled environment. This is a real community project where Nissan is trying to engage with every local primary school in the region to allow the children to explore and learn about Nissan and car building.

We will be travelling by coach and all children **require a packed lunch**. This trip does not incur any cost, as transport has been kindly provided by Nissan and it will take place within the school day. Children should wear school uniform as normal.

If you are able to help on our trip, please indicate on the slip below, this would be greatly appreciated. Depending on the number of offers to help, I will pick at random and make a reservation list.

Kind regards,

Mrs Damti
