13 June 2019

### Clean Air Day

Dear Families,

It is Clean Air Day on Thursday 20 June 2019. The Eco Council have decided to use this as an opportunity to promote ways we can help minimise our impact on the environment. The children would like everyone to choose to do one thing differently on Thursday to help keep our air clean. Children may promise to cycle/walk to school on Thursday, promise to add to our compost heap or look after the plants in your garden.

We will also be continuing our campaign against idling in the car park, so if anyone would like to join us at 8.40am on Thursday 20 June to remind everyone to switch their engines off you will be more than welcome.

Write your promise on the leaf on the reverse side of this paper, colour it in and return to the school office before Thursday 20 June.

Kind regards,

Ms Owens and the Eco Council
