

Newcastle East Mixed Multi Academy Trust

Responses from Stakeholders

School: West Walker Primary School

(This is a summary of the response comments for/against/undecided – excluding the local Councillors and MP)

Category	Comment	
Parent/Carer	As long as my kids' education does not change and their grades do not change.	
Parent/Carer	It will be more stronger working as a community.	
Parent/Carer	I think staying as an individual school and working with other local schools as a co-operative may be a better solution in the longer term than entering into such a formal agreement.	
Staff	Strengthen the community.	
Staff	I look forward to joining the Academy.	
Governor	It will be good for the schools to work together.	
Staff	Good for schools to work together.	
Staff	Good for feeder schools.	
No of total responses:		
	For	Against

Total	22	2
No of responses with further comments:		
Parents/Carers	3	
Staff	4	
Governors	1	
Other	0	
Total	8	

The governing body of West Walker Primary School has carefully considered all responses received during the consultation process. Responses have been received from various stakeholders including parents, staff, community, local councillors and the local MP. The governing body notes that the overwhelming majority of responses, in particular those from parents and staff are positive. Following this consideration the governing body formally resolves to proceed with the mixed MAT proposal, as outlined in our application to the DFE and consultation documents.
