In assembly this week...

The children continued to discuss our core value of 'Caring', in particular how to care for our world. The children watched Year 3s powerful and informative video about the damage we are doing to our planet. We found out that recycling our rubbish will show how much we care for our oceans, the animals, our planet, our health and air pollution. Well done Year 3 - what an important message to us all! and thank you for all of your tips about to reduce our use of plastic.

Transition

As you will be aware next week is our class transition where we say goodbye to our current class teacher before moving up to a new class for the final two weeks of term. I'm sure the children are very excited to be in their new class and meet their new class teachers. If you have any questions please see your child's current teacher.

Year 6 transition to Kenton

Well done to all of the Year 6 children who have spent their first week at Kenton. Kenton have told us how well all of you are doing and every Year 6 pupil we have seen has been full of enthusiasm and excitement.

Well done to Year 6 for coping so brilliantly with your first week at Kenton and we hope you continue to do Wyndham proud during the rest of your transition. We can't wait to hear more about your new school upon your return.
