### International week

We are planning to celebrate International Week the week beginning the 24th June. We will be finding out more about the world in which we live. It would be great if we could get some parents involved too. Perhaps you would like to do some cooking with the children or you might have some arts and crafts ideas you could share with us. If you would like to get involved please pop in and share your ideas with Mrs McFall or email to [admin@wyndham.newcastle.sch.uk](mailto:admin@wyndham.newcastle.sch.uk). Thank you for all your support.

### Late's last week:

YR-6      Y1-9      Y2-1      Y3-1  
Y4-1      Y5-1      Y6-0

**Early is on time. On time is late. Late is unacceptable.**

Each half term we will be focusing on one of our core School Values. This half term our school value is **Community**. Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learning.

### In assembly this week...

We built on what we have already found out about belonging to a class, a home and a community by thinking about where we might like to belong in the future. The children reflected on their dreams, hopes and ambitions and the exciting possibilities their future may bring. We talked about a community that they may want to belong to next year, such as a new school, football & dancing clubs.

#### Healthy School Award

Every other year we have to submit a Healthy School Review document in order to retain our Healthy School status. All the reviews then go through a quality assurance process to ensure we still meet the requirements. We are pleased to inform you that the reviews were once again very high and that we have successfully retained our Healthy School Status for another 2 years. Thank you and well done everyone.
