Late's last week..

YR-3 Y1-1 Y2-4 Y3-1

Y4-1 Y5-0 Y6-3

Early is on time. On time is late. Late is unacceptable.

Each half term we will be focusing on one of our core School Values. This half term our school value is **Respect**. Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learning.

In assembly this week...

We talked about it being the start of a new term and how children react in different ways. We discussed the importance of treating people the same. You may want to ask your child how their first couple of weeks at school has gone and that they may need a little reassuring hug, smile or even some kind thoughts.

'That History Bloke' Year 5

Year 5 had their project launch on Wednesday with 'That History Bloke', who is also known as Richard. We had a wonderful morning spent learning all about Ancient Greece. We found out about: the alphabet; how to write their name in Greek; We handled some replica artifacts and we played a game called 5 lines. We had great fun and were able to identify some stereotypical attitudes that date back to Ancient Greek times.

60th Anniversary Celebrations

As you will be aware next Saturday, 22nd September it is our 60th Anniversary celebrations. The family fun day is open to families associated with school. A letter has been sent home today with your child with lots more information along with some raffle tickets. We hope to see as many of you there as possible.
