

Year 1 Celebration Event

On Tuesday afternoon year one held an assembly to answer the question of 'Why should we care about the oceans?' A huge well done to all of the year one children, each and every child read clearly, sang with confidence and most importantly had a lot of fun sharing all of their hard work! The children gave an assembly to explain the three main mini projects we have completed this term (Litter pick at Tynemouth beach and Blue Reef Aquarium visit to the seal marine rescue unit, working with an artist to create recycled musical instruments/animations and finally a recycling audit with a Newcastle city council representative). The children also shared their parents/carers 'ocean of pledges' and revealed our new picnic table for the key stage one yard made completely from recycled milk bottles! Thank you to everyone for all of your support with our project and well done year one, you are inspirational and with your positive attitudes you will make a difference to our planet!

Year 4 Celebration Event

Thank you to all of the Year 4 Parents/Guardians who came into school yesterday afternoon to watch the Year 4 African dance. Year 4 really enjoyed performing this for you and loved telling you all about their Summer project.

Year 3 Celebration Event

Thank you to all of the Year 3 Parents/Carers who came into school on Wednesday afternoon to watch the Year 3 Celebration Event 'How has energy changed our world?' We hope you all enjoyed our singing performance and looking through the children's work. Year 3 have worked really hard this term and enjoyed telling you about their Summer project.

Early Years Celebration Event

Thank you so much to all of the parents and carers for joining Nursery and Reception in the hall yesterday for some bedtime stories to celebrate the end of our project 'Where Will Your Dreams Take You?' The children were so excited to share their song and bedtime story video with you all - we are very proud of them!

We are going to add our 'Goodnight Harry' bedtime story to Facebook in the next couple of days and hope that it becomes a part of your bedtime routine.

Year 5 Celebration Event

The Year 5 celebration event was a huge success yesterday morning. The children have definitely started to explore and answer their key question: 'What opportunities do I have in the future?' The careers fair was the perfect ending to this project. Thank you to everybody who came to the careers fair. We really appreciate the time that people took from their day to come in and talk to the children. It was a huge success and the children from across school all had a wonderful time as well as learning about different career opportunities at the same time.

Year 6 transition

Well done to all of the Year 6 children who have spent their first week at Kenton. Kenton have told us how well all of you are doing and every Year 6 pupil we have seen has been full of enthusiasm and excitement. Well done to Year 6 for coping so brilliantly with your first week at Kenton and we hope you continue to do Wyndham proud during the rest of your transition. We can't wait to hear more about your new school upon your return.

Year 6 Graduation

Year 6 would like to invite you to their graduation on Friday 20th July at 9.15am. We will be celebrating the children's amazing talents and achievements from their time here at Wyndham Primary School. We hope to see all of you there.

Successful Learners

YR-Jay for working well as part of a team to make our 'Goodnight Harry' video (and stealing the blankets!)

Katie for always challenging herself in Reception class. Reading and writing independently and helping her friends.

Y1-Aryan for working hard and challenging himself when solving multiplication problems.

Ebony for brilliant resilience when preaching for our project assembly!

Y2-Layton for working brilliantly to prove he can be an independent learner when creating a shape poem.

Lola for showing a really positive attitude towards her work-even when some tasks are tricky.

Y3-Zaane for having an enthusiastic attitude towards class performances.

Macie-May for putting an incredible amount of effort into our Celebration Event.

Y4-William for caring about the Year 4 project and creating a fantastic

Transition

As you will be aware next week is our class transition where we say goodbye to our current class teacher before moving up to a new class for the final two weeks of term. We are welcoming parents into school on Monday 9th July in the afternoon from 2.45pm-3.15pm to chat to your child's new class teacher and look around their new classroom.

Class Reports

On Wednesday you should have received your child's report along with a covering letter with a reply slip. If you haven't already done so, please can you return the reply slip to acknowledge you have received your child's report along with a comment if you wish to. Should you wish to discuss your child's report with their current class teachers you are invited to come in on Wednesday 18th July from 3.30pm-4.30pm.

one side to another, how some people find it easy, some people find it exciting whilst others find it scary.

After School Clubs

Next week is the last of the after school clubs for this term. Information about new clubs will be shared in September and then clubs will begin Monday 10th September 2017.

Dinner Money

Please can we ask that all dinner money is paid by Monday 16th July in order for us to settle our accounts. Thank you.

Nursery Places

We still have a few spaces available for pupils to start our Nursery in September. If you would like more information please pop in to school office.

Early Years Shoe Shop

Early Years are setting up a shoe shop and would love any unwanted shoes (of all sizes) shoe boxes, measure tape etc. Thank you!

Roof

We would like to inform you that soon we will be having some building work carried out on our school roof. The work will start this Saturday 7th July and is expected to last around 10 weeks. Our priority is the safety of the children and staff. This won't effect parents when they drop or pick children up as all work will be contained on the school site and disruption will be kept to a minimum. If you have any queries please contact Miss Burke in the school office. Thank you in
