YR-7 Y1-6 Y2-4 Y3-2
Y4-2 Y5-2 Y6-9

Early is on time. On time is late. Late is unacceptable.

Each half term we will be focusing on one of our core School Values. This half term our school value is **Caring** Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learning.

In assembly this week....

We talked about who cares for us, who we care about and how we know. We also talked about our carers for the future and have some vets, doctors and also a zoo keeper in our minds!

Year 5 Pupils and Parents:

As you can see from the list of dates on this Newsletter, Val Wigham the Headteacher of Studio West would like to host an assembly this half term for those pupils and parents in Year 5 who may be starting to think about their Secondary School. On **Wednesday 26th June at 9.00am**, (This is an amended date) Val Wigham will be joined by Studio West staff and pupils to talk about the opportunities at Studio West.

Non Uniform Day

We would like to remind you that next Friday 21st June is a non uniform day. The fine this time is chocolates which will be used as prizes on stalls at the Summer fair. Thank you in advance for your generosity.

International week

As you know we are looking forward to celebrating International Week from Monday 24th June-Friday 28th June. It would be great if we could get some parents involved too. Perhaps you would like to do some cooking with the children or perhaps you have some arts and crafts ideas you could share with us. If you would like to get involved, please pop in and share your ideas with Mrs McFall. Nearer the time, we will be asking for a photograph of your family which we can add to our 'World Map'. You will either be able to send your family photograph to school via email to: admin@wyndham.newcastle.sch.uk or you could send them to school with your child.

Year 2 Open Lesson

Thanks to all the parents and carers who came to Year 2's open lesson on Tuesday afternoon. The pupils managed to create some excellent fact files about the different animals using the websites from the QR codes. The pupils then created some wonderful printing blocks and printed their designs on the large sheets shown

refresh the mind and enjoy the tremendously variable British weather, pupils regularly run the Daily Mile track. Why not give it a go the next time you are dropping off or waiting to pick a child up from school - ...11 laps = 1 mile

We really appreciate the effort and run the Playground Leaders put into lunchtimes with the younger pupils. We look forward to being able to take more leaders to future events.

Key Stage 1 (Years 1 and 2) and Key Stage 2 (Years 3, 4, 5 and 6) SPORTS DAY on THURSDAY 27TH JUNE 2pm - 3pm (weather permitting)

This year Sports Day will take on a slightly different format. Years 4,5 and 6 will have their races on the 'Top Field' while Years 1, 2 and 3 will use the 'Football Field'. The competitions will run side by side (this is to reduce the amount of time the children and parents/carers have to wait between races) but parents/carers will be free to move between the fields to watch siblings run. There will be a mix of traditional Sports Day races but this year we would also like to introduce a Parent/Carers Race! What do you think? Bring your trainers (no spikes please!) and give it a go on a 25m dash! Parents/carers who take part will also gain points for their child's house. Please ensure your child has the correct PE kit - black shorts, house t-shirt and suitable running trainers/sports shoes. Fingers crossed for better weather soon!
