

Year 5 Autumn Term Project Plan

Essential Question:
'Why should we challenge stereotypes?'

Project Launch:
Ancient Greek Day
12th September

Mini Outcome 1 Non-chronological Report

A study of the role of Men/Women/Children in Ancient Greece.

Does this compare to the myths/legends from the time? Why do you think they are so different? Have Stereotypes always existed? Were they around in Ancient Greek times?

Mini Outcome 2 Maths Display

Maths – But why do I need to know this? Children will think about how the maths skills are related to future careers.

Children to create an interactive element of the display using QR codes and Aurasma.

Mini Outcome 3 Newspaper Report

Children to create a newspaper report at the end of the project answering the project question – Why should we challenge stereotypes?

Project Celebration

Public Speaking

Children will explain in their own words why we should challenge stereotypes.

Children will show their new interactive display based on challenging Stereotypes.
