Late's last week..

YR-4 Y1-3 Y2-4 Y3-2
Y4-4 Y5-2 Y6-7

Early is on time. On time is late. Late is unacceptable.

World Book Day

On Thursday 1st March it will be World Book Day. The children are invited to come to school dressed as their favourite character from a book. We always have a range of fantastic costumes every year and we're sure this year will be just as great.

In assembly this week...

We remembered the impact that Martin Luther King had on his rights and equality as it was Martin Luther King day on Monday. We talked about how at Wyndham we too want to live in a fair and equal community. You might like to ask your child who Martin Luther King was and if they can remember anything about his famous 'I have a dream' speech.

PFA

The PFA would like to ask you all not to throw out any unwanted Christmas toiletries (or other presents) and to donate them for the Summer Fair instead at the next non-uniform day which will be later this half term.

Cooking on a budget

We have space available on the Family Learning led course 'Cooking on a Budget'. Similar courses have been hugely successful in the past. Come along at 9am next Wednesday 24th January to meet other parents and get hands on preparing and cooking some fantastic penny saving dishes for the whole family. All ingredients will be provided and you will learn to make all dishes from scratch, such as soup, bread, pizza and many more. You will then be able to take your tasty dishes home to share with all of the family. If you are interested in signing up please contact the school office on 0191 2853895 to make

Year 1 Science Investigation

On Tuesday Year one had a fantastic time completing a fun Science investigation into winter weather! We completed an 'icy hands' investigation during which the children decided to place one ice hand in the classroom and one outside (in a shaded spot). The children then predicted which hand would melt fastest/slowest and we observed the changes in the ice hands during the day! The cold, snowy weather today gave us perfect conditions for the investigation and we learned a lot about seasonal weather changes!

Successful Learners

YR—Tyler and Millie for working well together to build a wonderful snowman.

Y1—Emme for helping her friend with her writing.
Charley for being so helpful to others during PE.

Y2—Ibrahim for great teamwork looking at how to improve his partners writing.
Lexie for great teamwork helping out others within the class.

Y3—Triston for having fantastic teamwork skills during sporting activities.
Logan for being a team player in all situations.

Y4—Misha for working hard all of the time and showing teamwork skills in maths.
Lewis for excellent contributions in guided reading group sessions.

Y5—Taylor and Rhys for working together as a team in lessons to ensure that they make great progress.

Y6—Sukhman for showing excellent teamwork.
Thomas for showing a fantastic attitude to learning and working well as a team.

Judo Taster Sessions

An exciting morning on Tuesday was had by all who took part in the Judo taster sessions. From Reception class up to Year 6, pupils were given the opportunity to learn new skills, as well as a new language: 'O-GOSHIO' and 'KESAGETAME!' The local Judo coaches showed the children how to throw and hold their partners in a safe and controlled way (under their supervision). If your child is interested in joining a club they can collect a leaflet from their class teacher which will tell you where and when sessions take place.
