Late's last week.

YR-5 Y1-4 Y2-4 Y3-2
Y4-0 Y5-3 Y6-4

Early is on time. On time is late. Late is unacceptable.

In assembly this week we...

Continued to talk about our core value this half term 'teamwork'. Mrs Cleary shared an alternate story about Noah's Ark where the animals were already on the ark but unfortunately there was a hole in it. You may want to ask your child how the animals worked together using all of their individual skills to fox the ark.

Each half term we will be focusing on one of our core School Values. This half term our school value is **TEAM WORK**. Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learning.

After School Clubs

After school clubs will begin again when we return after half-term (Monday 25th February 2019) your child should by now have brought home a slip with the clubs that they have been allocated. Please call into the school office with any queries or for further information.

Parents Evening and Book Fair

Just to make you aware and a date that you can add to your diary. Parents Evening and the book fair will be on Monday 11th March and Tuesday 12th March 2018 for all years apart from Reception which will be Monday 11th March and Wednesday 13th March. Appointment letters will be sent out when we return after half-term.

World Book Day

On Thursday 7th March it will be World Book Day. The children are invited to come to school dressed as their favourite character from a book. We always have a range of fantastic costumes every year and we're sure this year will be just as great, but please remember that this doesn't need to mean buying an expensive costumes-often the best are those hand-made

Change4life

This week your child should have brought home a Change4Life Sugar Smart pack. Please encourage your child to complete all the challenges and celebrate them saving the Sugar Smart World from the sugar cube invaders by downloading a free certificate from the www.nhs.uk/change4Life website. There is also information for adults: why not download the Change4Life food scanner app and scan the barcode on your family favourites when shopping to see how much sugar they really contain -then swap to a lower sugar alternative?

Mrs Cleary

As you may be aware Mrs Cleary will be very shortly starting her maternity leave. The last day, before she leaves to have her baby, will be the end of this term, Friday 5th April. We are very pleased to let you know that Miss Coulter will be Acting Headteacher along with the support of an Associate Executive Headteacher, Mrs Hayes. We hope you agree that this will ensure the stability and secure transition for the school.

Successful Learners

YR-Arham for persevering with reading at home and school.

Aggie for super teamwork when making a bug house.

Y1-Taylor for great teamwork skills when working with others in a group.

Madison for persevering when writing instructions on 'how to catch a porridge thief'.

Y2-Aryan for persevering when creating his own non-fiction book using the Ipad.

Logan Mc for great community spirit looking after the classroom and helping others.

Y3-Layton for putting an incredible amount of work into everything this week. Keep up the hard work!

Jessica for fantastic ideas in English and for creating a exciting story.

Y4-Awais for writing a fantastic poem including lots of rhyming couplets.

Emily for answering tricky maths questions including addition and Subtraction.

Y5-Daniel for continually trying hard in all subjects and showing perseverance in difficult tasks and lessons.
