Each half term we will be focusing on one of our core School Values. This half term our school value is **Community**. Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learning.

### In assembly this week...

We reflected on belonging to a community. The children talked about the friendships they have outside of school and the other groups they belong to in their community such as Rainbows, guides & football teams. We discussed different types of communities and how to make positive links, thinking about what it might feel like to live in a community that wasn't kind and how you could make a change. Finally we reflected on how we could be even more valuable members of our community by picking up litter and saying hello to our neighbours and giving to these less fortunate.

### Nursery and Reception Admissions

By now parents of children who will be attending Nursery and Reception in September should have received confirmation either from the Local Authority (for Reception) or a letter from school (for Nursery) confirming your child's school place for September. Please can we remind Nursery parents to let us know whether you are intending to take up this place by **Friday 23rd May** as we have a waiting list for places. Thank you.

### SATs

Next week is SATS week in school and attendance and punctuality are of the utmost importance. If you have any concerns or queries please speak to Mrs Gathercole or Miss Coulter about them as soon as possible. We know that Year 6 have been working really hard and are sure they'll take this chance to show how amazing they all are. Good Luck Year 6!

### Non Uniform Day

We would like to remind you that next Friday 17th May is a non uniform day. The fine this time is bottles which will be used as prizes on stalls at the Summer fair. Thank you in advance for your generosity.
