Important Dates

As you can see we have a lot of events taking place up until the end of the Summer term. We have added these to give you as much notice as possible. Please keep a look out on the 'important dates' section of the newsletter and facebook as these will be updated on a weekly basis.

Each half term we will be focusing on one of our core School Values. This half term our school value is **Community**. Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learn-

In assembly this week...

We discussed this half-term's core value 'Community'. We spoke about the World Cup and the importance of the referees and officials to ensure there fairness, equality and cooperation. You might want to ask your child if they can remember some of the ideas we spoke about this morning.

Nursery places

Do you know a child who is age 3-4 and that loves to play and learn? We still have a few FREE places available for Nursery. Please call into the school office to collect a application form.

DT Week

We have had a very exciting DT Week at Wyndham Primary!! Food Nation have been cooking with Year 1 and Year 5 making healthy frittata's and stir fries! On Wednesday we had the Baltic in working with Year 3 and 4, Year 3 designed and created bridges and Year 4 became inventors and created an invention to solve a gap in the market. In Year 1, they explored where the wild things are and used this to create their own animal masks. Year 6 designed and created some giant lollies using textiles to make it interesting. Across school on Thursday an architecture workshop took place, children across KS1 and KS2 made some phenomenal structures using sticks and elastics bands - some of them reached the height of the ceiling in the sports hall!!! For our final day today, a specialist artist worked across the school to create a wooden fairground ride. We were very lucky to have Ms Larkin in work with some classes to experiment with tie-dye and make some neckerchiefs! Year 4 have visited Kenton School to look at their specialist Design Technology equipment and have created their own key rings using a laser jet machine! It has been an incredible week across the school, with very engaged and enthusiastic children. Thank you to parents for your continued support as always!

Reception	98%
Year 3	98%
Year 1	97%
Year 6	96%
Year 5	96%
Year 2	95%
Year 4	94%
Overall	96%
Target	96%

cooking.

Y2-Ellie for great work all week working alongside others in groups.
Connor R for really good work supporting others with tasks.

Y3-Ollie for always caring about the wider community.
Joanie for having a great attitude towards the community.

Y4-Gursikh for showing excellent community spirit, working as a team and supporting his class friends.
Paige for her eagerness to help out anyone who struggled with DT activities this week.

Y5-Lacey for an excellent attitude towards DT week, working well in her group and using resources well.
Fatih for always respecting the resources in school and helping to tidy up after lessons.

Y6-Lewis for showing a good community attitude.
Ashley for being an excellent role model within the school community.

Late's last week..

YR-1 Y1-4 Y2-3 Y3-5
Y4-3 Y5-3 Y6-4

Early is on time. On time is late. Late is unacceptable.

Year 2 Open History Lesson

On Tuesday Year 2 had a jam-packed open afternoon of History. They worked extremely hard to use QR codes to access different websites which enabled them to find information needed to complete the gaps on their timelines. The pupils really grasped the concept of past, present and future. Thanks to all the parents who could make it.

Year 6 First Aid

On Wednesday Year 6 had the opportunity to learn and practice their First Aid Skills with the British Red Cross. The session started with the class learning how to put someone in the recovery position if they were found unconscious. After this the class used 'Little Annie' to learn and practice how to carry out CPR. Although we hope that the children never have to put any of these new skills into practice they are invaluable life skills to have.

Rugby Taster Session

Years 4,5 and 6 took part in a tag rugby taster session on Monday afternoon, thanks to All Stars Rugby. It was a great opportunity to get outside and run-around while learning new skills and having fun.

Year 4 'How do we survive with nothing?'

Year 4 have produced some fantastic drawings, models and narratives as part of their holiday homework based on this terms project, 'How do you survive with nothing?' Well done Year 4!

SMART Inter-school Year 3/4 Football Tournament.

The team put on a great display of determination, teamwork and perseverance in the games they played on Thursday afternoon. The competition was stiff but this didn't put the boys off. This was their first time playing together but have shown that with practice they will become a force to be reckoned with. Well done lads.
