Early is on time. On time is late. Late is unacceptable.

Each half term we will be focusing on one of our core School Values. This half term our school value is **Respect. Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learning.**

In assembly we....

We discussed the meaning of respect our core value for this half-term. The children were asked how each job role is different and how important each role is.

Parking

As you know in the past we've encouraged parents to be more mindful of their parking habits when dropping children off/collecting from school. Wynward Place, Wyntop Place and Wyndsail Place are all very small cul-de-sac's and residents struggle to get into and out of their street. We have been informed by local residents that cars that are parked on corners, blocking driveways or causing an obstruction the school and local residents may take further action. Please can you help us to maintain relationship with our local residents when parking near school. Thank you in advance for your support in this matter.

Collecting children from school.

We want to make sure all our pupils get home safely so please can we ask parents to contact the school office if they make alternative arrangements for their child to go home with another parent/family member. There have been a few incidents recently where we haven't known that parents have made arrangements between themselves which have caused complications at home-time. Please help us to avoid this in the future.

Successful Learners

YR-Jessica for respecting our classroom by looking after and tidying our toys.

Yousaf for caring about his friends and always helping them.

Y1-Sophie for showing great perseverance when writing simple sentences using finger spaces.

Dominic for always being a kind friend and caring for others.

Y3-Connor R for having fantastic problem solving and reasoning skills in maths.

Lexie for always having a positive attitude towards everything that she does.

Y4-Marley-Lee for perseverance with English this week and writing a fantastic War horse poem.

Emily for perseverance with maths problem solving this week including equivalent fractions

60th Anniversary Celebrations

A huge, huge thank you to everyone who came along to join in our 60th birthday celebrations last Saturday. It was lovely to see so many families enjoying themselves and spending time with us. The event couldn't have happened without the PFA who organised everything and ensured it was a great success and to the staff who gave up their Saturday morning. A big thanks also go out to those who donated prizes for the raffle, baked the birthday cake or came to run stalls/ put on events. Although this was a celebration and not a fundraising event the PFA still managed to raise £300 THANK YOU ALL!!!

'Box of Joy'

Thank you to all the Early Years parents, carers, children and staff for a fantastic morning. It was great to see so much enthusiasm and team work and all of the children now have a precious box to fill with all of the items that bring them joy.

60th Anniversary Mugs

If you didn't get a chance to buy one of our special 60th anniversary mugs at our celebration last week, don't worry we still have some available for you to buy. They are £2.50 and can be bought from the school office.

Volunteers

Do you have a spare few hours that you'd like to use coming into school to help out? If so we need you! We're always looking out for volunteers to come into school to help with things like listening to the children read, practising handwriting or learning times tables. Staff in school will also provide basic training so that you'll feel confident doing this. Others who have done this in the past have found it incredibly rewarding and some have been able to add it to their CVs when applying for jobs or training. If you'd like to find out more please call into the school office or speak to a member of staff.

Nursery Places

We still have a few spaces available for pupils to start our Nursery. If you would like more information please pop in to the school office.

Were pleased to let you know that during October half-term were going to be hosting a Chinese club. During the club children will be given the chance to learn Chinese greetings, numbers, animals, colours, Chinese calligraphy, Chinese papercraft and even Chinese cooking plus the chance to go outdoors and play Chinese games and activities for relaxation. If you would like more information please contact Helen on 07515149489.
