Extra care

Please can we ask all parents/carers to keep an extra eye on your children when dropping off and picking up from school. We know the children are very excited as they have moved into their new classes and we are coming up to the end of term but it has come to our attention children have been running from their parents and not taking as much care as usual. We want to avoid any unnecessary accidents.

Kenton Assembly

Kenton School principle Mrs Holmes-Carne came to talk to transition Year 6 on Wednesday about why Kenton School should be their first choice of High School. She talked to the class about the wide range of traditional subjects including their tremendous arts department, which offers ceramics, textiles, photography as well as opportunities in performing arts, music, motor-vehicles and engineering (just to name a few). Her ethos is to make school fun as well as offer a caring and supportive environment. Mrs Holmes-Carne will be back in the new academic year with ex-pupils from Wyndham to talk about their experiences at Kenton. All transition Year 6 pupils should have brought a Kenton School perspective home. If not, there are still some in the classroom.

Year 2 had a fantastic time at the Walker Activity Dome on Tuesday. They each worked hard to earn stickers for values such as Determination, Self-Belief, Honesty, Passion, Teamwork and Respect. Well done Year 2!!
