

Ten Activities - Year 3

Maths (5 house points):

Please work through the Year 3 White Rose home learning tasks:

<https://whiterosemaths.com/homelearning/year-3/>

Summer Term Week 4 (W/C 11th May)

Summer Term Week 5 (W/C 18th May)

Summer Term Week 6 (W/C 25th May)

Reading (5 house points):

Watch the video clip and answer the questions below about each film:

<https://www.literacyshed.com/adventures-are-the-pits.html>

Write a set of reading skills questions based on one of your books that you have got at home. Remember to include: vocabulary questions, select and retrieve questions (1 mark, what, where, when, who) and 2 mark questions (why, how, use evidence from the text to support your answer). Can you challenge your parents/brothers and sisters/relatives to answer the questions?

Writing (5 house points):

Using BBC Bitesize, please complete the daily activity for Year 3 English:

<https://www.bbc.co.uk/bitesize/tags/zmyxyc/year-3-and-p4-lessons/1>

Science (5 house points):

In Science, can you do some research about different types of skeleton. What are a skeleton's main jobs? Which animals have different types of skeletons? Look specifically at crabs, jellyfish and elephants.

Art (3 house points):

What can you see around you? In Art, we have done lots of work around sketching using different textures and tones. Can you create a series of sketches of the things around you? It could be some objects, a room in your house, the garden, what you can see outside of your window.

DT - Cooking (2 house points):

Plan/design, make and evaluate your own healthy recipe! You could make a healthy pizza, healthy vegetable samosas, banana muffins, salad. After you have planned and cooked your healthy meal, evaluate it; what went well, what could be improved next time.

History (3 house points):

In History, we are still looking at the Anglo-Saxons. Using the link, watch some videos about Anglo Saxon life.

<https://www.bbc.co.uk/bitesize/topics/zxsbcdm>

Who was Alfred the Great? What was Anglo-Saxon art and culture like?

How are we damaging our world?

What is extreme weather?

Can you research: tornadoes, earthquakes, hurricanes, tsunamis.

How is global warming affecting extreme weather?

Which countries are most affected by these extreme weathers?

We would love to see your ideas via
Admin@wyndham.primary@newcastle.sch.uk

Geography (3 house points):

Linking with our project activities this week, can you find out how earthquakes and tsunamis are formed? Do we get earthquakes in the UK? If so when and where have they occurred?

<https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zj89t39>

Do we get tsunamis in the UK?

<https://www.natgeokids.com/uk/discover/geography/physical-geography/tsunamis/>

Music (3 house points):

Complete the BBC Ten Pieces activities for the next 3 weeks. We will upload the link to Facebook every week on a Monday.

PE (3 house points):

Follow 'The Body Coach TV' on YouTube and complete Joe Wicks' workout every morning at 9am. Use Gonoodle to do some guided dance activities and look after your well-being by doing some calming activities:

<https://www.gonoodle.com/>
