Perhaps you can ask your child what they’ve done today to fill someone’s bucket or what someone has done to fill their bucket.

on future life skills. Research has typically found that shared reading experiences are highly beneficial for young people. Benefits of shared reading include facilitating enriched language exposure, fostering the development of listening skills, spelling, reading comprehension and vocabulary, and establishing essential foundational literacy skills.... We ask parents/carers to

make 3 comments per week in the diary to show these shared reading experiences. Because we believe that this is so important, we have decided to run a competition throughout the summer term. Each week, when a child has three comments in their diary, they will have their name entered into a prize draw. The winners will be selected at the end of the school year for the following prizes:

First prize: Kindle

Second prize: 3 x £15 book vouchers

Third prize: 10 x books (each of the 10 winners will choose a book of their choice)

Questionnaire re: Project KS2 Yard

Below is a snippet of what's to come and more information will follow shortly:

Wyndham PFA in conjunction with the staff and pupils of Wyndham school want to work together with the local community in a project to enhance the Key Stage 2 yard. This year Wyndham School is celebrating its 60th Anniversary and we are hoping to create an art installation / play area that celebrates this milestone and enhances the yard for current pupils. Our aim is to involve as many people, groups of people in our community; the current pupils of the school, ex Wyndham Pupils, parents, carers, neighbours and to gather ideas under the theme of "playing throughout the generations" as a basis for developing the project.

Community Consultation

There will be a Community Consultation Event at Burnfoot Way Green, Kenton, on Saturday 12th May from 11am until 1pm. Come along and have your say! At a similar event last year, local residents told us what you would like to see on the undeveloped, east side of Burnfoot Way Green. This has been put together in a plan and we would now like to hear your thoughts on what has been suggested to enhance the remaining open space. You will also have the opportunity to learn how to plant your own hanging basket to take home with you. Hanging baskets will be limited to one per household - please bring proof of your address if you would like to make one.
