

PE and Sport Premium Impact Statement 2016-17

Report prepared by: Dave Peddie

Position: PE Lead

Date: November 2017

For information/Action

1. Introduction

The attached report refers to the Sport Premium funding at Wyndham Primary School 2016-17. In total a grant of £8790 was received. The grant has been used to;

- Utilise professional coaches and programs to deliver after school clubs and PE sessions
- Involve parents with family learning classes on importance of healthy active lifestyles
- Monitor the work of those delivering PE to ensure that teaching is consistently good or better.
- Identify and encourage those pupils who are reluctant to participate in sport.
- Work with parents and carers to promote the health of all pupils.
- Improve pupils' health, especially pupils who were known to be overweight or obese.
- Deliver schools message of importance of regular exercise
- Provide opportunities for competitive sport, allowing children to put into practice the skills from lessons
- Offer a comprehensive provision of after school, lunchtime and extracurricular clubs and opportunities

2. 2016-17 Sport Premium Impact Statement

See attached report.

3. Priorities 2017-18

Areas to be developed throughout 2017-18 will be to;

- Continue to utilise professional coaches.
- Explore unique opportunities to develop resilience, team work and fitness through outdoor adventure and activities
- Develop staff CPD to ensure sustainability of high level PE
- Ensure that there are activities specifically aimed at enabling the most able pupils to achieve high standards.
- Allow sports leaders to develop playground games
- Ensure statutory 2hours of PE is delivered to all year groups through PE lessons, clubs, break times and other opportunities such as Golden Mile
- Further develop opportunities for parental engagement
