### Late's last week..

YR-1    Y1-1    Y2-2    Y3-4  
Y4-2    Y5-1    Y6-2

**Early is on time. On time is late. Late is unacceptable.**

Each half term we will be focusing on one of our core School Values. This half term our school value is **Teamwork**. Assemblies and awards will be focused around this theme. Please ask your child about our theme and what they have been learning.

### In assembly...

This morning we had a visit from Deborah who works at Nexus. Deborah spoke to the children about Play safe – stay safe and also the dangers of venturing on to the metro tracks and messing around on the Metro System. Unfortunately what may seem like harmless fun is in fact very serious and the railway is not a playground. You could maybe ask your child if they can remember how fast metro trains travel.

### Individual Photographs

If you would like to buy your child's individual/sibling photo that were taken before half-term. Please can you make sure it is handed to the front office by Monday 12th November as these are being collected on Tuesday 13th November.

### Children in Need

Through the School Council pupils have asked if they can take part in Children in Need on Friday 16th November. As a fundraising event they have decided to hold a non-uniform day, with children wearing spotty clothing or Children in Need merchandise (however we don't expect parents/carers to go out and buy products especially for school) and bringing in some pennies to cover Pudsey and donate to charity. We are looking forward to our SPOTACULAR DAY.

### Year 4 Trip to Trinity Church

Year 4 had a great time visiting Trinity Church at Gosforth this morning. The church was separated into 2 sections, one being a warzone and the other being stories from the war in aid of Remembrance Day. Year 4 found this very interesting and have brought back lots of ideas for their topic 'How has the past shaped us'

School starts promptly at 8.55am. Children should be on the yard ready to line up at 8.45am. To help with punctuality, we offer breakfast club from 8:15am, Please speak to the school office for more information. Please also remember that medical appointments should be made out of school hours if at all possible.

#### Volunteers

Do you have a spare few hours that you'd like to use coming into school to help out? If so we need you! We're always looking out for volunteers to come into school to help with things like listening to the children read, practising handwriting or learning times tables. Staff in school will also provide basic training so that you'll feel confident doing this. Others who have done this in the past have found it incredibly rewarding and some have been able to add it to their CVs when applying for jobs or training. If you'd like to find out more please call into the school office or speak to a member of staff.

#### Year 2 Storytelling session.

Year 2 would like to thank their fantastic story teller, Chris Bostock, for an amazing workshop on Tuesday! The class were treated to a number of stories from contrasting cultures. Each story had one common theme...DRAGONS! The pupils even had to add musical sound effects to one of the tales. Chris also holds workshops outside of school, you might want to go and see:
