Science (5 team points)

In Science, we have been looking at '**Animals including Humans**'. Can you name the 5 senses? When out in the garden or for your daily think about which sense you use for each body part. Draw a picture and write a sentence of something you would do with that sense.

Art (3 team points)

Junk modelling.

Create your own under the sea creature!

Use your recycling rubbish to create an under the sea creature. Use glue, paint, newspaper, tape, and string - anything you can get your hands on. Let your imagination go wild! Could you create a gigantic whale (like from The Snail & the Whale) or Tiddler or even Rainbow Fish? What about a gigantic octopus?

Please practise reading and writing these words **(8 team points)**
How many sentences can you write including these words?

Can you look in a book and find any of these words? Which words did you spot the most times?
