In assembly this week....

We focused on this half term's core value 'Caring'. We talked about caring about our learning and found out that in the Smart Mat Academy competition for attendance last half term. We came 1st for Reception, Year 3 and Year 5 and were also overall winners! Well done everyone!

International week

As you know we are looking forward to celebrating International Week from Monday 24th June-Friday 28th June. It would be great if we could get some parents involved too. Perhaps you would like to do some cooking with the children or perhaps you have some arts and crafts ideas you could share with us. If you would like to get involved, please pop in and share your ideas with Mrs McFall. Nearer the time, we will be asking for a photograph of your family which we can add to our 'World Map'. You will either be able to send your family photograph to school via email to: admin@wyndham.newcastle.sch.uk or you could send them to school with your child.

Year 5 Pupils and Parents:

As you can see from the list of dates on this Newsletter, Sarah Holmes Carne, the Headteacher of Kenton School and Val Wigham the Headteacher of Studio West would like to host an assembly this half term for those pupils and parents in Year 5 who may be starting to think about their Secondary School. On **Thursday 13th June at 9.00am**, Sarah Holmes Carne will be hosting an assembly alongside Kenton staff and pupils to talk to parents and pupils about what Kenton School has to offer.

On **Thursday 4th July at 9.00am**, Val Wigham will also be joined by Studio West staff and pupils to talk about the opportunities at Studio West. Both assemblies will enable pupils and parents to ask any questions they may have.

Well Done

We would like to say a big well done to Max for receiving the players player award and George for receiving most improved player from their football team. This is a huge achievement (and a huge trophy!) keep up the good work!

Bike Riding Competition

Wyndham's first competitive cycling event. A great afternoon on Wednesday was had by the teams: Darryl, Jack, Clayton and Alexander; Chloe, Lily, Melissa and Paige. Everyone took part in a relay and an individual event - one lap of the field track - against six other schools from across the city. The course was rough and the competition was tough but everyone gave it 100%. The teams did well in the relays but highlights came for Lily and Jack who placed first in their individual heats and progressed to the girls and boys final - 3 laps of the course, a real stamina test. Jack placed 3rd and Lily 5th. The overall scoring of the afternoon is complicated so we will just wait to hear if the team progress to the city finals. Well done to everyone who took part - each member of the team showing true sporting values: determination, passion, respect, self-belief, honesty and teamwork.
