

Year 6 Project Plan

Essential Question:
How has technology had an impact on the society that we live in today?

Project Launch:

Trip to NISSAN
08.01.19

Mini Outcome 1

Produce a questionnaire to find out what technology/product might help our local community.

Mini Outcome 2

Gather market research to decide the most popular prototype.

Mini Outcome 3

Develop/create the product support the local community.

Celebration Event

We will host a launch event to introduce our final product and share it with the local community.
