

Year 3 Summer Term Project Plan

**Essential Question:
How are we damaging
our world?**

Project Launch:
Tornado has struck at Wyndham!
The classroom has been destroyed
by a ferocious tornado. Children will
become reports and document
the disaster!

Mini Outcome 1

Organise a Litter Pick

Organise a litter picking session, with parents and the community.

Mini Outcome 2

Invite parents and Community

Create posters, letters and leaflets for the litter picking session.

Mini Outcome 3

Create a video

Create informative video with information about how we can all help to save our planet.

Real World Outcome

We will hold an event to raise awareness of global warming and the danger our planet is in!

Children will show an informative video to make people aware of how we can all help to save our planet.

Unveil recycling bins for classrooms and hall.
