

# SPENDING

This year we were allocated £122,760.

Pupil Premium was used to financially support:

HLTAs, EAL and SEN support provide specialist subject knowledge to groups of children.

Proportion of salary of Teaching Assistants to support learning across the school

Funding for targeted interventions and enrichment clubs

Daily fresh milk for Pupil Premium Students

Residential trips for Years 4, 5 and 6

Programme licenses for Mathletics, Reading Eggs, Spellodrome and Lexia

Free before school supervised use of ICT suite for those children with no internet at home

Whole school counselling training programme with numerous staff now trained to offer counselling to vulnerable children within school.

Family Support Worker who worked closely with those families who needed support with housing, school, financial and parenting issues.

EWO and Safeguarding

Uniform provision giving the children a sense of pride in their appearance. Each PP child received a free jumper, polo shirt and book bag.

External companies used for curriculum enrichment e.g. Tiny Tweeties, M&M Productions, More than Dance and various visiting authors

Breakfast Club offered free of charge to PP children

# RESULTS

## Key Stage 1 Phonics - Year 1 Summer 2016

PP OLSA	NPP OLSA	PP Nation	NPP Nation
80%	85%	69%	83%

This year our children outperformed children nationally with 83% working at the required standard for Phonics against the national 81%. This year our Pupil Premium children did not perform quite as well as those who are not Pupil Premium but were close.

## KS1 Results 2016 Summer 2016

Subject (At/Above Expected)	All OLSA	PP OLSA	Non PP OLSA	All National
Reading	63%	68%	57%	74%
Writing	60%	62%	57%	65%
Maths	63%	56%	71%	73%

Our Pupil Premium children out performed our Non Pupil Premium children in reading and writing and were relatively close to the national scores. Our Non Pupil Premium children out performed our Pupil premium children in maths. This is an area of focus for the next academic year

# PUPIL PREMIUM

2015-2016

The Pupil Premium is additional funding given to schools so that they can support their disadvantaged pupils and close the attainment gap between them and their peers.

The proportion of pupils eligible for Pupil Premium at Our Lady and St Anne's RC Primary is above average.

As our last Ofsted inspection remarked:

**'Children enter school with well-below average communication, social and emotional skills and catch up to reach average attainment by the end of Year 6.'**

Reading At or above	66%	71%	71%
Writing At or above	74%	79%	79%
Maths At or above	70%	75%	75%

# HOW DO WE USE PUPIL PREMIUM?

As OFSTED commented about our school, 'Excellent enrichment activities add to the richness of their learning and enjoyment.'

## PUPIL SUPPORT:

We currently employ one teaching assistant for every class. Every morning teaching assistants work with small groups in Read, Write Inc. and Fresh Start to improve phonics and writing. HLTAs also deliver small group maths lessons for children who need more focused support, whether Gifted and Talented or SEN. The teaching assistants also provided additional intervention work before and after school and deliver lunchtime intervention in reading, phonics and writing. Our EAL specialist continues to promote academic achievement for our growing number of students for whom English is an additional language.

## ENRICHMENT OPPORTUNITIES:

Last year we offered our children a range of enrichment opportunities using the skills and expertise of our support staff as well as outside agencies. Extra-curricular activities included: Tennis, Netball, PE Agility, Football, Running, Cookery, Gardening, Newspaper, Forest schools, Handwriting, Homework, Toe by Toe, Singing, Chess, Book Club, Sewing and Storytelling. In addition to this our Pupil Premium grant was used to supplement residential trips to The Diocesan Youth Village, London and Dukeshouse Wood as well as individual class trips.

## THE CURRICULUM:

We used Pupil Premium money to enhance our curriculum too. We pay for external agencies to come in and support our curriculum e.g. Tiny Tweeties, More Than dance and M&M Productions. We use Pupil Premium funds to extend our gifted pupils by offering bursaries so they are able to attend High School booster schemes where available. Software has been renewed to support curriculum development e.g. Mathletics, Lexia, Reading Eggs and Spellodrome.

## All Pupil Premium children took part in at least 1 Initiative
