The living value for this half term is **Unity** -

Unity is harmony within and among individuals in the group.

Unity continues by accepting and appreciating each person and his or her contribution.

Unity is built from a shared goal, hope or vision.

Unity makes big tasks seem easy.

The greatness of unity is that everyone is respected. One note of disrespect can cause unity to be broken.

Unity creates the experience of co operation , increases enthusiasm for the task and makes the atmosphere empowering.

Unity creates a sense of belonging and increases well being for all.
