

1. Develop Power Teaching and Learning across the school.

- Language Foundations
- STEPS Literacy
- Power Literacy
- Power Maths
- 5 learning behaviours

2. Improve teachers' skills in teaching pupils to show a deeper understanding by explaining orally and in writing using increasingly more complex language across the school.

Broadwood School Improvement Priorities 2017 /2018

3. Improve pupils' ability to explain their mathematical thinking and reasoning when solving problems related to increasingly challenging mathematical concepts across the school.

4. Develop good then outstanding leadership.

5. Improve attendance and reduce Persistent Absenteeism (PA) so they are similar to national.
