Newsletter 8

Dream Believe Achieve

Everyone has come back to school after the break full of beans and ready to learn. Every area of the school has been a hive of activity all through the day. Visitors to the school have again commented this week on how fantastic the Behaviour for Learning is in school and that makes us all very proud to be part of Cheviot. It's going to be a busy half term so next week's Newsletter will contain an update on dates for your diary. I look forward to working with you all again this half term and would like to take the opportunity to remind you that the door is always open—please talk to me if you have any ideas, concerns, niggles or suggestions for improvements—stop me on the yard, call in to school or give me a ring! We are always ready to listen and value the partnership with parents and carers we have at Cheviot Primary School.

Mrs Halliford, Head of School

You will have noticed the huge improvement to the area along the driveway behind our neighbours gardens since Newcastle City Council removed the trees and overgrown bushes. We have kept lots of the bark chippings and logs to help in our exciting garden developments. The main groundworks are scheduled for January. If you are interested in helping develop the garden in the Spring term or have expertise to share, please contact Mrs McCulla—we would love to have you on board.

This year's Halloween disco was a roaring success. Thank you to all the families who turned out and all the children who behaved beautifully throughout. Our special thanks go to Mr & Mrs Dodds for giving their time and services to the school and for making sure everyone had a great time. Mr Dixon also went above and beyond in clearing up afterwards...

Congratulations to Year 4 and Year 5 who won the SMART MAT trophies for the best attendance in their year group last half term. We are so proud of them and want to say a BIG Thank You to all of you who make sure they ... GET UP, GET IN, GET ON!!

Year 4 are making a great start to this half term by having 100% attendance this week—they are on fire!

Learning in Action

Year 5 earned their Bikeability badges this week and made huge improvements in their cycling skills. They worked together and grew in confidence as they learned to cycle safely on the roads around the school.

Year 1 learned they had to brush their teeth for 2 minutes each time when they were visited by a school nurse this week - watch out for their brilliant gleaming smiles!

Class Attendance	
Little Explorers	78%
Nursery	86.4%
Reception	98.7%
Year 1	96.3%
Year 2	95.7%
ARC1	90%
ARC2	96%
