Well, what a week it has been! This time last week we were in the middle of our short Ofsted inspection. We are still waiting for the official report which comes in the form of a letter, but we will share it with you as soon as it arrives. Although we can't share specific details from the feedback the Inspector gave us, we can tell you that she thought the children were delightful- keen and ready to learn, with fantastic manners and fabulous friendships. Hot on the heels of that eventful day, we have gone straight into SATs tests for Year 6 and Year 2 this week! Again, the children have been fantastic and all tried their best, which is all any of us can ask for. What a week & what a team!! Next week lots of Year 6 are off to Broomley Grange, Year 3 are meeting an author, Year 5 are beginning an art project and we will be recruiting volunteers for 'Team Joy' (see over). There's always something exciting going on at Cheviot which is why we love it so much! Have a great weekend,

Mrs Halliford, Head of School

More good news! The school kitchen received a Food Hygiene rating of 5 in their inspection this week – the best score achievable! Well done to Mrs Rutterford and all her team.

Mr Mottram's Sports Round-Up

Over the past few weeks, Class 9 have been learning tennis in PE. The boys have made outstanding progress, from our first lesson based around how to grip the racket to performing successful, accurate forehand and backhand volleys three weeks later. This week we introduced the net -and even though it was very tricky at the start, the class soon became accustomed and didn't find the net a challenge by the end of the week.

Little Explorers were challenged to see how far they could jump. First, they were shown how to jump effectively and needed reminding to bend their knees and swing their arms. Once they got into swing of things the results were mind blowing. Libby and Mason were able to jump over SEVEN foam noodles – an astonishing achievement for the youngest children in our school!

We are delighted to tell you that Cheviot Primary School are taking part in this year's wonderful event to raise awareness and funds for St Oswald's Children's Hospice.

On Monday afternoon, Laura from St Oswald's came in to help us reveal our Elmer statue to the whole school. Over the next couple of months we will be planning and painting our Elmer ready to be displayed as part of the trail.

We have chosen the theme of JOY for our Elmer as we believe we should help our children develop ways to find joy throughout their lives – even when it is tough and life puts obstacles in your path.

St Oswald's Children's Hospice helps families during very dark, difficult times, yet it is a place where joy is cherished and memories are made.

Do you have what it takes to be part of
TEAM JOY @CHEVIOT?

We need a team of enthusiastic volunteers made up of children, parent/ carers and staff to help us bring our Elmer to life and create a statue about JOY that we can all be proud of.

If you fancy joining us to explore what brings you joy in your life, and work through a range of creative processes to come up with a piece of art or poetry about JOY which will be used to decorate our Elmer, please fill in a slip and return it to the Main Office by 9am on Friday 24th May. Children will be given slips in school. The draw for TEAM JOY will be made on Friday 24th May.

I would like to be in the draw to be part of **TEAM JOY @ CHEVIOT**
