CHEVIOT PRIMARY SCHOOL NEWSLETTER

Friday 22nd June 2018

GDPR FORMS PLEASE

We still have a significant number of forms to be returned, please fill in and your data and privacy preferences and get them back to us. **Under the new regulations, we need your permission for all sorts of things— photos on blogs & newsletters, names on trays and coat pegs and even to put photos of your child on their report.** Please return them to the school office asap.

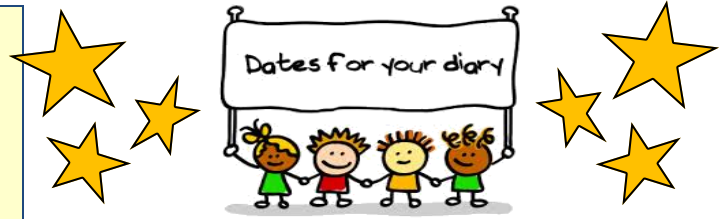

The school has been full of busy over the last two weeks! We're really sorry we didn't get a newsletter out last week, we had some technical issues that couldn't be resolved in time. On a very positive note, we had this term's review of the school by SMART MAT colleagues. The focus was on pupils who are achieving at 'greater Depth' for their year group and how make sure ALL children are challenged to reach their potential right across the curriculum. The Director of Teaching & Learning for SMART MAT commented on how *articulate, enthusiastic and well behaved our children are*— so well done to all of them! Year 5 spent a day at Kenton School on Thursday—they tried all sorts of different lessons and had a great time. Miss Young & Mrs Bartram said they behaved brilliantly and were an excellent advert for Cheviot. *Mrs Halliford*

Everyone completed their circuits with gusto and we all loved Laura's assembly—her jumping was AMAZING!

Well done to all our fabulous fundraisers! Laura Samuel was blown away by your generosity!

Between now and the end of term all of our lovely Y6 pupils will be taking part in 'transition' days at their secondary school, please make sure you know the arrangements for your child. If you have any questions, please see one of the Y6 team who will be happy to help.

July

Tues 3rd 10.45am	Little Explorers & Nursery Sports Day
Wed 4th 9.20am	Reception, Y1, Y2, ARC classes Sports day
