

# Spring 2 Year 2

## Save the world – Climate Change

### Literacy – Narrative - Fiction

#### Spelling and grammar

We will be continuing to use co-ordination (or/and/but) and sub-ordination (because/when if) in our writing.

#### Reading

We will be reading fiction books this half term. We will be working on our comprehension skills and inference skills.

#### Writing

We will be using our book to write new beginnings, middles and endings to our book. We will also be looking at writing our own short stories using different sentence types (exclamation, statement, command).

### PSHE – Friendships

We will be learning about friendships.

- How important friendships are
- Characteristics of a good friend
- Learning that friendships have ups and downs.

Our class intent is to become inquisitive and independent thinkers.

### RE

That Christians follow rules called the 10 commandments.

### ICT

In ICT we will use simple databases to record information. We are looking to perform a climate change song!

### PE – Gymnastics

- Travel by rolling forwards, backwards and sideways.
- Hold a position whilst balancing
- Jump in a variety of ways and land with increasing control and balance.

### Numeracy

- Knowing time to the nearest 5 minutes.
- To compare the volume of different objects.
- Identify the properties of common 2-D and 3-D shapes.

### TRIP!

Children will be visiting Cragside, Northumberland on the 10<sup>th</sup> March 2020. Please bring sensible shoes for a forest walk.

### Science and Geography – Animals and their habitats and Fieldwork Skills

- Observe closely, using simple equipment.
- Perform simple tests.
- Gather and record data to help in answering questions.
- Use simple fieldwork and observational skills to study the geography of the school and key human and physical features of its surrounding environment.
