LPPA: LEADING PARENT PARTNERSHIP AWARD

This year, we will be working towards achieving the Leading Parent Partnership Award. As a school, we value the strength of our relationship with families. We aim to work with all our parents in the best interests of our children. The process of applying for this award will support us to further improve our school partnership with all parents and carers. If you would like to know more or get involved, please speak to Miss Armstrong.

SPORTING ACHIEVEMENTS

What a successful term of sporting competition. Our Upper Key Stage Sporting Teams have been having a run of success recently. The boys football team won against Mora and then last week, we drew 4 all against our toughest competition yet, St Marys in Willesden. Our Year 5 and 6 cross country teams all ran 1 mile at Kingsbury High School with over 100 other children. Every single one of our pupils completed the race, many in the top 20! The Year 5/6 girls football team beat Princess Frederica at Capital City 4-2! We are looking forward to even more sporting events in the coming year.

KEEPING SAFE WEEK

During our 'Keeping Safe Week' pupils learnt about how to keep safe in a variety of scenarios at home, at school and in the wider community. PC Rose Shepherd and some of the community police team came into school and lead assemblies and workshops with classes from Year 1 to Year 6 about Keeping Safe online, consent, joint enterprise and

crime and punishment for relevant year groups. Our lower school pupils focussed on the PANTs rule. For more information, please visit <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/underwear-rule/>

BIKEABILITY

Our Year 5 pupils have taken part in cycle training last month. Bikeability is today's cycle training programme. It's about gaining practical skills and understanding how to cycle on today's roads. There are different levels and some of our children were road ready and went riding with the trainers in the local area. Bikeability are running a prize draw story competition, open to all Bikeability trainees, inviting them to submit a story via the Bikeability website for the chance to win a £50 high street voucher. The story theme is: Cycling after Bikeability in 2019 ie. stories of how Bikeability training has inspired more regular cycling. Please visit the website for more info and to enter by 31st December 2019. Good luck! <https://bikeability.org.uk/>

INTERNATIONAL AWARD

Mrs Ginty and Ms Chapela were very proud to accept 'Outstanding Development of the International Dimension in the Curriculum' award from The British Council. Enormous thanks to Ana Chapela for designing and coordinating the events across the year to enrich our curriculum's international dimension. This award goes to all our wonderful team and amazing pupils who made our application successful.

THE GAMBIA MBOLLET-BA TRIP

The Salusbury Primary trip to The Gambia happens every year. It's part of our partnership with Mbollet-Ba primary and is organised by Our Global School. We will be going out over the February 2020 half-term break. If you are interested in coming, there will be an informal planning meeting at 6pm on 18th December 2019, Venue to be confirmed. STEVE MCQUEEN TATE EXHIBITION

We are so proud to be part of this special Year 3 exhibition at Tate Britain. Last year, Steve McQueen invited every Year 3 pupil in London to have their photograph taken by a team of specially trained Tate photographers. These class photos are brought together into a single large-scale installation, capturing tens of thousands of Year 3 pupils in a milestone year in their development. Ms Lynne and Ms Chapela attended the launch event and our Year 4 pupils are going to visit in February!

THE AVENUES

The Avenues is one of London's leading youth centres, supporting local children and young people from 8 to 18. They are looking for volunteers and donations, to find out more please visit <https://www.avenues.org.uk/>

CAREERS MONTH

Thank you to all the parents and carers who have signed up, we will be in touch shortly to confirm dates and times. Careers Month will be taking place in January and we are asking for any parents or carers who would like to be a part of this month to let us know. We want people from as many different working backgrounds as possible to come in and speak to one or two classes (maybe even three) about their job. We believe this would be a great opportunity for children to learn about all the different careers available to them. So, if you are interested in being part of this then, please complete the form below and return to the office or your child's class teacher.
