Spanish / Art: Take a look at Miss Chapela's latest activity for you on Lgfl: https://www.lgfl.net/services/my_homework Password and login are found via Lgfl. https://rockalingua.com/videos

***NOTE TO PARENTS / CHILDREN:**

- For the **Maths and English** lessons: children / parents have access to the answers and **can mark the answers themselves**. Therefore we are NOT expecting children to load work back daily.
- Instead, we would like **one general submission for each subject per week** and children can upload any work that: **a)** They found difficult and would like an explanation on, or **b)** They are proud of and would like to show teachers for feedback. Children should aim to upload at least one piece of work per week, so that class teachers can stay in contact!
