HALF WAY POINT

It is wonderful to think that we are just past the half way point of the academic year so much has happened and we still have so much to look forward to! As always, last half term was a busy time at Salisbury with a variety of themed weeks, special days, performances, workshops, as well as the fantastic teaching and learning.

THERE'S NO BUSINESS LIKE SNOW BUSINESS

Our wonderful Year 3 pupils wowed parents with the Salisbury classic performance of 'The Snow Queen'. The pupils, staff and parent volunteers worked tirelessly to ensure two amazing performances were put on for families to enjoy. Well Done Year 3!

ONLINE SAFETY

It has been brought to the school's attention that pupils from other schools have been 'screenshotting' (taking photos of) online posts from pupils at Salisbury and sharing them amongst their friends and in Whatsapp groups. As a school, we urge you as parents to be aware of what your child is doing online and the age restrictions of social media apps, games and websites, most of which are older than primary school age pupils. Parents and carers will have received a digital parenting magazine as part of Online Safety Day. We also recommend our Twitter users to follow @natonlinesafety for updates and guides to websites, games and apps your children might be using, such as Fortnite, Instagram and Youtube. In school, PC Rose Shepherd came in to deliver some Online Safety Workshops to our Year 3 and 4 pupils as part of Online Safety Day. Other year groups have also been discussing and learning about how to keep safe online.

SPANISH DAY

Hola! This year's Spanish celebrating day will take place on Wednesday 27th February. KS2 children have been learning about the life and art of Frida Kahlo. On the day, students will create some fantastic artwork in the style of this very famous Mexican artist. It will be lovely to see children dressed up in the colours of the Spanish or Mexican flag as well as the traditional flamenco or Mexican clothes. Lunch will have a Spanish flavour. Our amazing cooks will prepare a special Spanish/Mexican menu.

HEALTHY INSIDE AND OUT

The theme of Mental Health Week was 'Healthy Inside and Out' which linked with our themed week learning about Nutrition. During the past few weeks, we have had a series of workshops and assemblies to help support this topic. Chartwell's, our school meals provider, organised an assembly and workshop for our Year 6 pupils, as well as 'Fun into Food' workshops for the whole school which saw pupils and staff take part in a fun interactive healthy eating cooking competition.
