

Busbridge Junior School Year 6

After school club Spring term 2021

ComputerXplorers is delighted to be able to offer an after school club for year 6 this term. We will run the club on a Thursday afternoon and will tackle two great activities during the term.

3D computer design. During this part of the course we will use a piece of software called SketchUp to practice 3D design. We'll design a number of objects and one will be 3D printed for each child.

App Developer: In this course the children will learn to make a number of apps which can be installed on smart phones and tablets. They will learn how to design apps, deciding where and how to position text, images and touch responsive buttons. We will also look at some of the Java Script programming that powers the apps.

- ➔ Each lesson will last one hour after school on a **Thursday**. Please collect your children at 4.35 pm from the school gate.
- ➔ Dates: Jan 14, 21, 28, Feb 4, 11, 25, March 4, 11, 18, 25
- ➔ Payment plan: £10 payable on booking a place
 £60 balance payable on March 24th

Should it not be possible to deliver 10 lessons £7 will be deducted from the balance payment for each lesson not delivered i.e if 9 lessons are delivered the balance payment will adjust to £53.

How do I register?

To book a place on this course go our website (address below) and click on the 'book a class' button at the top of the page.
