

## **Sports Premium Funding 2016-2017**

### **What is PE and Sport Premium?**

The Government has pledged to provide funding of £150 million per annum between 2014 and 2020 to improve the provision of physical education (PE) and sport in primary schools. Schools must spend this designated additional funding on improving their provision of PE and sport, but will have the freedom to choose how they do this. Ofsted will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities. The aim of the funding is to ensure that all children leave primary school “physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.” Ofsted.

### **Our PE and sport premium allocation for the current academic year**

The Sport Premium funding is allocated to each individual school by the payment of a lump sum. Schools with over 170 pupils are allocated £8,000 and then £5.00 per child in Year 1-Year 6.

Busbridge Junior School has received £9185 for the financial year 2016-17 with a carry forward of £4540 which is already committed to the Playground resurfacing project.

### **Our vision**

At Busbridge Junior School, we aim to establish a sporting culture that facilitates and inspires all children to play and enjoy sport and physical activity in general.

### **We aim to:**

- Engage children in a range of exciting and inspiring physical activity, both in PE lessons, during break-times and extra-curricular activities and clubs, so that they enjoy and develop a life-long enthusiasm for sport
- Educate the children about good sportsmanship through the Olympic Values
- Help children to understand the benefits of sport and physical activity to a healthy lifestyle both physically and mentally.
- Develop staff expertise by identifying individual areas of strength and weakness and providing relevant training/professional development
- Employ specialist sports coaches to deliver high quality lessons to pupils, as well as to train staff and advise on curriculum development
- Fully utilize and develop our facilities to enable high quality sporting opportunities, as well as source additional venues to further support this.

## Planned Impact of Spending

- Teaching profile of 100% good+ teaching.
- Teachers to receive CPD training in areas of need e.g. Football by SCL.
- 50%+ of children to represent the school by the end of the year in inter-school events.
- Children to have more engaging playing experience as a result of playground renovation.
- The PE Co-ordinator has successfully planned for and taken children to the following inter-sports activities such as:
  - GDPSSA Cross Country at Reigate
  - Year 5 and 6 Sports Hall Athletics at Broadwater
  - Gifted and Talented Sports at Broadwater
  - Year 6 netball tournament at Broadwater
  - Year 5 and 6 Hockey festival at Broadwater
  - Children attended the Godalming and District Swimming Gala
  - District Sports at Broadwater
  - Biathlon at Rodborough
- To continue to develop areas of the curriculum with the use of specialist coaches e.g. dance or gymnastics workshop run by Planet Education during Staff Meeting time.
- Disadvantaged children have access to a wide range of sports, building self-esteem, friendships and fitness levels.
