

PE & Sports Grant 2016-2017

How much funding did we receive?

We received £8,590 for the academic year 2016-2017.

What did we use this funding for?

Activity	Cost	Impact
Training – Steps to Outstanding PE	£189	<ul style="list-style-type: none"> • Upskilled a teacher in KS1 who was then able to support staff across KS1 e.g. team teaching with other teachers to develop the quality of their practice.
Training - Sports Conference	£150	<ul style="list-style-type: none"> • This day's training allowed staff to meet and share ideas with other teachers and PE leaders. • Staff member gained ideas for outdoor learning and a deeper understanding of the new curriculum. This in turn allowed staff to share their knowledge with others and to ensure that Physical Education at our school covers the new curriculum in depth. • Sharing ideas with colleagues enabled the development of planning. This in turn improved the delivery of PE across the school.
Training – Teacher	£360	<ul style="list-style-type: none"> • All staff are confident and competent to deliver high quality PE. • The quality of all PE lessons is good or outstanding. • Good practice was shared and feedback. • Raised confidence of children to participate in PE.
Supply cover for training	£950	<ul style="list-style-type: none"> • Ensured staff member was able to attend CPD training as detailed above • Improved quality of staff practice.

Active Surrey Membership	£600	<ul style="list-style-type: none"> • Annual subscription to active surrey is now in place. This has bolstered our PE provision and has increased teacher confidence in delivering outstanding/good PE lessons. • 100% of PE provision observed last year was either good or outstanding. • PE Curriculum leader has an up-to-date and accurate knowledge of the PE curriculum in order to disseminate best practice amongst the staff and develop sport across the school liaising with the our other sports provider SCL.
Transportation to sporting events	£600	<ul style="list-style-type: none"> • Increased opportunities for pupils to experience competitive physical activity.
Equipment - Contribution to Playground Equipment	£3,000	<ul style="list-style-type: none"> • Developed children balance coordination, gross motor skills and enjoyment. • Children used this equipment daily and there has been a high % increase in children able to use the fire man's pole, stepping stones and Pepperpot ladder.
Balanceability Kit & Training	£1,768	<ul style="list-style-type: none"> • Two EYFS practitioners trained. This was then disseminated down to all EYFS staff. • All Reception children had access to the programme throughout spring and summer term. • There was raised confidence in being able to ride a balance bike. • Children were recorded as beginning, developing and secure. We tracked children across the year and improvements were made. • Increased confidence, self-esteem and resilience. • Physical improvement through the development of gross motor skills such as balance, co-ordination, agility, core strength and flexibility. • An enthusiasm to put their learning experience into practice with raised interest in walking, cycling and family outings. • Increase in physical development in the EYFS GLD from 75% to 92%.
Equipment – Electric pump	£49	<ul style="list-style-type: none"> • Purchased and in use consistently.
Equipment – Maypole	£454	<ul style="list-style-type: none"> • Purchased and a Maypole Dancing club ran in the summer term, with 24 children performing at the school summer fair. This

		<p>is going to be a yearly club.</p> <ul style="list-style-type: none"> • Introduce children to a new sporting activity. • Raised pupil enjoyment and improved their physical well-being. • Engaged girls in sporting activity.
Experience – African Dance Workshop	£399	<ul style="list-style-type: none"> • Reception children participated in the workshop, this developed motor control, gait, balance, and rhythmic motor coordination. • Engaging and enjoyable. • It developed children’s auditory, visual and sensory skills. • Developed children’s musicality, social interaction, and memory. • Impact on health, positively influencing children mood.
Total Actual Spend	£8,519
