

# DULOE SCHOOL NEWSLETTER

July 2018

Dear Parents,

As we reach the end of what has been the most glorious summer term I would like to take the opportunity to thank all our children, families and members of the community who have made this last term so enjoyable and special for me.

I have had 38 years in teaching and my time at Duloe has given me the most treasured memories, adventures and fun. I have worked with the most hard working and committed team of staff who have made my job so much easier than it could have been. As for the children? Well! You are all marvellous and it has been a real delight to see the way you flourish into young adults ready for the next stage each year. I wish all our year 6 the very best as you move on to pastures new and look forward to hearing about your successes in the years to come.

We have been so well supported over many years by our governing body who work tirelessly to ensure the very best opportunities are given to every child in our care. This is an incredibly responsible position that is undertaken voluntarily and again has provided me with the highest quality advice and support.

My thanks and best wishes to everybody and I am so pleased to be leaving this wonderful school in the very capable hands of Mrs Veronica White, who I know will continue to do an incredible job.

With very kind regards,

Ann Carter

## PTFA News

Thank you to everyone who attended the Summer Fair we raised over £900 to enable us to continue supporting the school. The end of the school year is a good time to reflect on how your contributions have helped the school. In January, 146 people went to see the Panto, all the children had free tickets and transport. We have bought puddle suits for the whole of Class 1 to make outdoor play easier. The playground has new daisy chalk boards to support creative play. We have also supported trips to see What the Ladybird Heard, visit Dartmoor Otters and Butterfly Farm amongst others. So thank you for your continued support. We will hopefully be holding a coffee morning early in the new school year please do come and join us, find out a bit more about the PTFA and hopefully join and support the school.
