

Dear Parents,

It has been an extremely busy start to the term already. We had a wonderful whole school trip to Morwellham Quay, which was thoroughly enjoyed by all. Most importantly this has given all of the children a solid foundation to build on this terms topic and has brought Victorian times to life!

We now have over 100 children in school and pre-school, this is significantly more than we had this time last year. This is wonderful for the school and our children, but we do need to work together at drop off and pick up to ensure this is safe for all. Can we please ask that the road way around the green is not completely blocked by parked cars and that the one-way route around the green is maintained. We would also ask that parents do not reverse cars out into the flow of traffic coming into school. Thank you for your help, any suggestions gratefully received. **Veronica White**

We Need Your Recycling

We desperately need the following for Creative Day Activities, we currently need:-

Round polystyrene pizza trays (that come in supermarket packs)

Small boxes like snack raisin boxes, small match boxes or Smarties treat size boxes.

If you have any at home please bring them in, we would be very grateful.

Parents Evening

This terms Parents Evening is scheduled for **Monday the 8th and Tuesday the 9th October** - please note there will be no after school activities (football/crossfit) on these days.

Appointments can be booked via 'eschools' which can be accessed via the school website/parent login. Booking is now open and will close on the 5th October.

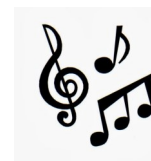

If you are unable to login and have forgotten your username/password then please contact the school office and we will reset these for you.
